Objective:

A dedicated and aspiring Information Management student with a strong foundation in web development technologies and a basic understanding of Java and PHP. Seeking opportunities to apply my skills and knowledge in a dynamic work environment.

Education:

- Bachelor of Information Management (BIM)
Shanker Dev Campus, Putalisadak (Expected Graduation: [2024])
- +2 (Higher Secondary Education)
Nepal Darshan College, Umlabari-7, Morang (2077)

Skills:

- Web Development:
 - HTML
 - CSS
 - JavaScript
- Programming Languages:
 - Basic understanding of Java, including Swing, AWT
 - Servlet and JSP
 - PHP
- Other Skills:
 - Strong problem-solving and analytical abilities
 - Effective communication and teamwork
 - Quick learner and adaptable

Projects:

- Developed a personal website showcasing my web development skills.
- Created a simple Java Swing application as part of coursework.
- A basic e-commerce website using PHP and MySQL.
